**STARTED:**  
**COMPLETED:**  
**REQUIRED:** 10/1/2009

**REQUEST:**

The AHU submittals, which did not have UV lighting, came back approved without note. The original spec did not call for UV lighting, but the conformance set of specs do. The price to add the UV lighting from Mock is \$10,369.36. Please advise

**ANSWER:**

Original specifications were issued on April 17, 2009 as part of the 100% Construction Document package. UV lighting is included in the specification with that package.
